Attempt **ALL** questions. All questions are **Multiple Choice Questions (MCQs)**. Each question carries **1 mark**. Choose the **most correct option (A,B,C OR D)**. No extra time will be given.

Use of calculators or electronic devices is **not allowed**.

ENGLISH

MARKS 20

MULTIPLE CHOICE QUESTIONS (MCQs)

Q.1- Read the passage given below carefully and choose the correct answers from the given options: (10 marks)

The Elephant and the River There was once a large elephant who lived near a river. Every morning, he went to the river to drink water. He loved playing in the water and splashing it with his trunk. One day, he saw a little bird struggling in the river. The elephant quickly helped the bird by lifting it gently with his trunk. The bird was very grateful and promised to help the elephant whenever he needed help. From that day, the elephant and the bird became good friends. They often helped each other and shared happiness together.

- 1. Why did the elephant go to the river every morning?**
